

*Fill Your Spreader in Minutes!*

## The McLanahan Spreader Loading Manure Auger

Save time, labor, and hassle of bucketing sand-laden manure!

The **Spreader Loading Auger** will load sand-laden manure from a reception pit into a tanker or spreader with ease and speed.

**Capacity:**  
500 to 1000 gallons per minute

To load your spreader in minutes, call  
McLanahan's Agricultural Systems  
Division at 814-695-9807!
